Bridge Lane Route To Be Checked By DPU

At the insistence of Selectmen George W Boylen Jr and James Miceli, the Massachusetts Department of Public Works has agreed to send an engineer to evaluate the possibility of using Bridge Lane for the site of the new four-lane bridge to be built someday over the tracks of the Boston & Maine RR.

Charles Whitcomb, Chief Engineer of the State DPW reluctantly agreed to have the evaluation made on Tuesday morning, after a 20 minute conference held on the old Bridge Lane Bridge, at the proposed site.

Mr Whitcomb and others had come to Wilmington on the invitation of Rep. Fred F. Cain. Also present was Senator Ronald C. MacKenzie, as an observer.

The discussion was almost entirely conducted by Mr Whitcomb, and Selectmen Boylen and Miceli. Whitcomb told the two men that the state had already sent an engineer out twice, to evaluate the proposed bridge sites, and that this would mean a third time. There was only one man to do that job, Whitcomb said, and he had to work

all over the state. He, Whitcomb, could not tell when the evaluation could be made.

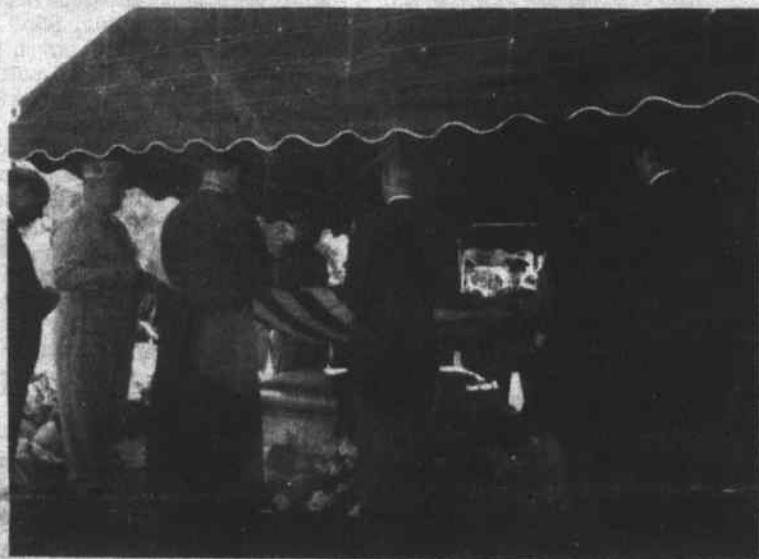

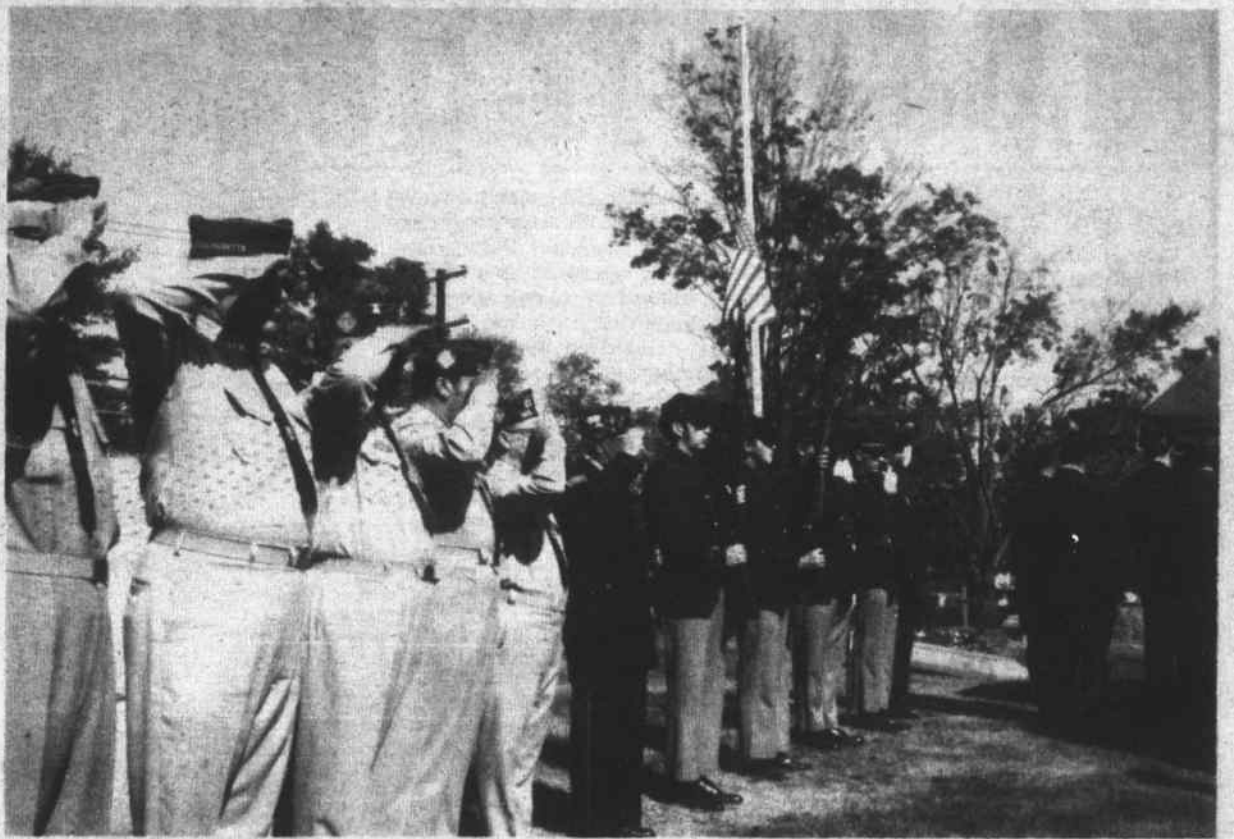

Boylen and Miceli told Whitcomb that they wanted to be certain that every possibility had been canvassed, because the eventual fate of the proposed bridge would be decided in a Town Meeting. They felt that the Wilmington Selectmen should be able to stand up and say 'We have sought every possible alternative'.

Whitcomb was frequently unable to completely express his thoughts, as the two selectmen pressed their point.

Rep. Fred Cain told the two selectmen that the construction of a bridge on the Bridge Lane site would mean cutting off some hundreds of feet of frontage for the Wilmington Ford site, not only along Bridge Lane, but along Main Street too - and that this would be an expensive proposition, because of possible damages.

The Main Street Esso Station, too, would be cut off, Cain said.

A Message to People of Wilmington

Dear Neighbor:

Anyone who has reached the age of 21 and has not registered to Vote, can do so on Saturday, October 5, at the Town Hall, from 12 Noon to 10 in the evening.

This will be your last chance to register if you are truly concerned and plan to exercise this great privilege of ours, and Vote in this crucial Election Year.

The Wilmington Democratic Town Committee wishes to welcome any citizen and newly registered voters in our town who would like to volunteer their support for the Presidential Election. Remember, Government is what You Make It. VOTE AND HAVE YOUR CHOICE. DON'T VOTE AND OTHERS MAKE THE CHOICE.

The next monthly meeting of the Wilmington Democratic Town Committee will be held on Wednesday, October 9.

Anna M. Visconti, Chmn.

Stepan Chemical Acquires National Polychemicals

The Stepan Chemical Company of Northfield, Illinois, announced on October first that it has acquired National Polychemicals, Inc., a wholly owned subsidiary of Fisons Corporation, of Eames Street Wilmington.

The acquisition was for an undisclosed amount of cash.

National Polychemicals, with annual sales of \$4,000,000 is a leading manufacturer of blowing agents, stabilizers, and specialty chemicals sold primarily to the plastic and rubber industries.

Alfred C. Stepan, Jr., Stepan president, said that the acquisition marks the first step in the com-

pany's recently announced acquisition and diversification program. He said that National Polychemicals will be operated as a wholly owned subsidiary under the present management.

Stepan, listed on the American Stock Exchange, is a leading manufacturer of surface active agents, aromatic chemicals, fragrances, and phthalic anhydride.

For the six months ended June 30, the company earned \$1,022,732 equal to \$1.16 per share, on sales of \$14,261,504.

Fisons Corporation states that it intends to intensify its development and expansion in the areas of agricultural chemicals and pharmaceuticals.

JEAN CONSTANTINE ENGAGEMENT ANNOUNCED

Mr and Mrs John Constantine of 1436 Shawshen Street, Tewksbury, have announced the engagement of their daughter, Miss Jean Constantine to Mr Anthony J. Fantasia, Jr., son of Mrs Lucille A Fantasia of 8 Catherine Avenue, Wilmington.

Miss Constantine is a graduate of Tewksbury High School, and is a clerk for the W. T. Grant Co.

Mr Fantasia is a former Air man in the US Air Force, and is engaged in carpet installation with the P & J Morden Carpet Company of Woburn.

A June wedding is planned.

CYNTHIA ANN CASE IS ENGAGED

Mr and Mrs Bradford K Case of 3 Oakridge Circle Wilmington have announced the engagement of their daughter, Cynthia Ann, to Mr Robert C Blackberg Jr., son of Mr and Mrs Robert Blackberg of Cambridge.

Miss Case is a 1967 graduate of Wilmington High School, and is now attending Lowell State College.

Mr Blackberg graduated from Cambridge High and Latin in 1964. He is presently employed at the Negea Corp.

An August wedding is planned.

Crusaders & Swordsmen

The Crusaders trip to Mills for a social mixer with the Knightsmen of Mills turned out to be very successful in spite of the cool weather. Because of the change in season since Mills was in Wilmington as a guest of the Crusaders, the two corps played football instead of softball. Wilmington emerged the victor and was presented with a trophy.

Both corps will participate in the Columbus Day Parade, representing Wilmington Ford, in East Boston. Watch next week for the bus departure time. Another parade, for the Crusaders only, will be their annual appearance in the Halloween Parade in Woburn on the 31st.

Mrs Josephine Giangregorio was reelected Secretary, and Mrs Florence Martin was reelected Treasurer, at the monthly meeting of the fund raising organization, held last Monday. There have been so many requests for a spaghetti supper, since the last such event, that the committee decided on a Home Made Spaghetti Supper on October 19th. It will be held at Villanova Hall, between 5 and 7 pm. Tickets for adults will be 99 cents, and 50 cents for children under 12. Call 658-2158 for information on tickets.

The planned menu will be Tossed Italian Salad, Spaghetti and Meat Balls, Rolls and Butter, Tea, Coffee or Milk, and Jello.

There have been requests for the Crusaders to renew their roller skating parties again, in Lowell. Plans are being made, but this year it will be necessary to limit the parties to members only. In

past years non-members were invited.

Practice Schedules

Crusaders: Sunday, Drill at the Wilmington Plaza, 11 am, Music Tuesday, 7 pm at the Boutwell School; Color Guard, Friday at 7 pm at the Boutwell School.

Swordsmen: Saturday, 1 pm, A drill at the West Intermediate School. Thursday 6:30 pm Music at the Boutwell School. Saturday 1 pm, Color Guard, at the West Intermediate School.

There will be no Color Guard practice Thursday.

Chamber of Commerce Welcome New Members

A New Member Dinner, by the Wilmington Chamber of Commerce at the Thomson Club in North Reading, next Tuesday, will welcome the new members of the organization. About 20 new members will be inducted.

The dinner starts with a social hour at 6:30 pm., and there will be a brief directors meeting at that time.

Girl Scouts

On October 10th at the Congregational Church, Mrs Jean Foley, Girl Scout organizer will meet with any interested parents who wish to get their daughters in the Girl Scouts. The meeting will start at 10 am.

The meeting will be for parents of girls of all age levels.

Clean Sweep Over Andover

It was a clean sweep, for Wilmington High football teams, over Andover, in the past weekend.

The Freshmen defeated the Andover Freshmen 18-0, the Varsity triumphed over the Andover Varsity 20 to 6, and the JVs won their tilt 14 to 0.

The Varsity game, played on Andover's new field, bewildered many Wilmington fans who got lost wandering around the outside of the fence, looking for an unlocked entrance.

Mike Esposito, a sophomore, was the Number One Player of the game. He scored two of the three Wilmington touchdowns, booted the two extra points, and made the pass for the third touchdown, a 26 yard pass to end Ed Harrison. Esposito was also a major defense man, being in over 20 tackles of Andover carriers.

In offense he carried the ball 22 times, and gained 105 yards.

The Andover Golden Warriors fumbled the ball three times during the game, to the Wildcat's advantage.

Early in the first quarter Andover's fullback lost control of the ball, and Wilmington's Dick Gillis rescued it for Wilmington, on the 37 yard line.

Gillis and Esposito in seven plays, then ran the ball to the Andover 30 yard line. Gillis then tried a run up the middle to the 17 yard line, at which there was a fumble, which was alertly recovered by Rick Smallidge.

Esposito and Smallidge then took over, to carry the ball to the 7 yard line, in two carries.

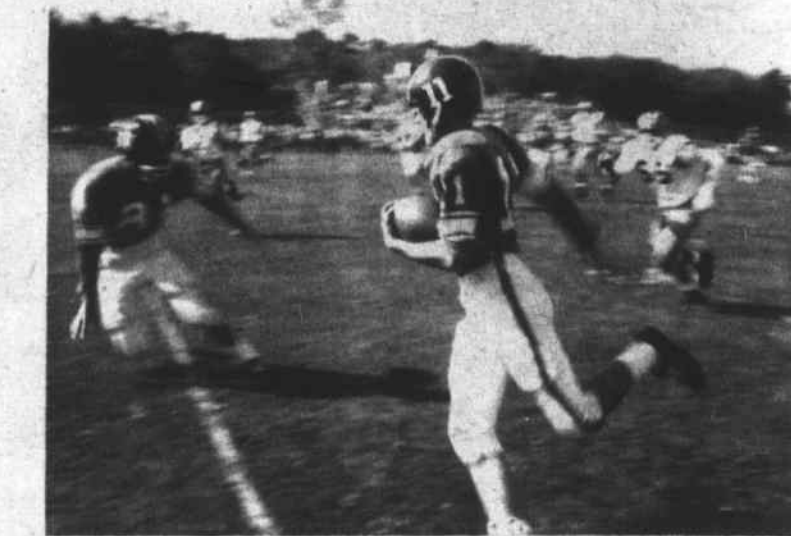

Then it was Gillis and Esposito, and the Wilmington sophomore went over then line standing up, for the first six points. Two attempts at the conversion failed, after an off-side penalty against Wilmington.

The Golden Warriors drove deep in the second quarter, paced by their LHB, Kevin Winters. The drive took Andover from its own 34 yard line to Wilmington's 29 in eleven plays, and then ground to a halt, after which Wilmington took over.

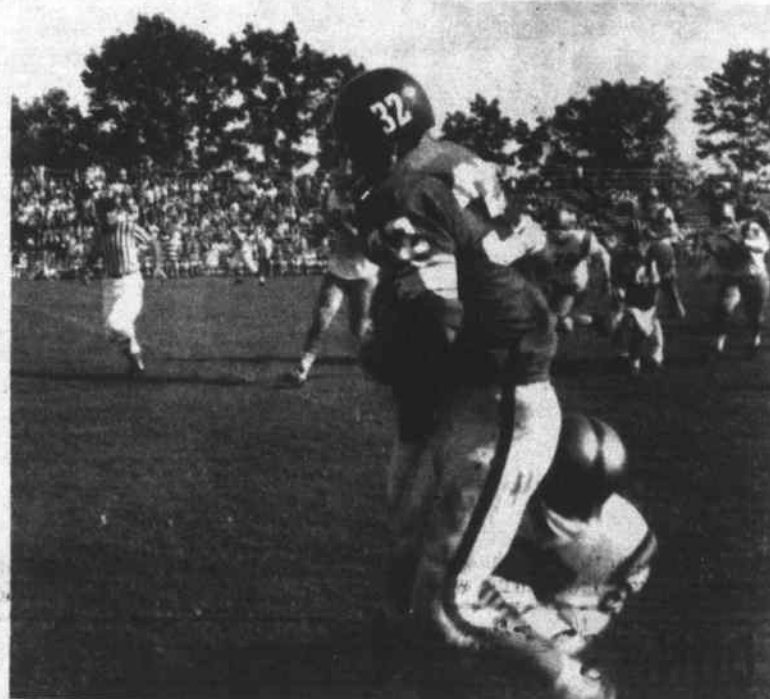

Wilmington then marched for 60 yards in eleven plays, in a running game. On the 29 yard line the Wilmington team pulled a double reverse - Tildesley to Gillis to Esposito, who then hurled the ball to Ed Harrison, who kept on from the Andover five yard line, to the second touchdown. Esposito kicked right through the center of the goal posts for the first time this year.

With only a few seconds left in the second quarter Andover again fumbled, and Tom Coates pounced on the ball for Wilmington, at the Andover 33 yard line. Tildesley then carried for 23 yards to the Andover 10, where he was driven out of bounds. Esposito tried for a field goal, in the last seconds, but it was blocked by Andover's Doug Towne.

Andover, in the second half, marched down the field from its own 27 yard line to Wilmington's 46. Andover's Jimmy Gillan was the main carrier, with McEvoy

EDDIE HARRISON BLOCKING FOR JIM TILDESLEY: as Tildesley carried the ball to the Andover 11, in the second period, before being forced off side.

MIKE ESPOSITO TACKLED BY DOUG TOWNE: In the last minutes of the game, after a 21 yard carry by Esposito.

and Winters. Winters then got into the opening, for a threat at the goal line. He made 37 yards before he was brought down by Esposito on the Wilmington nine.

Wilmington's line dug in and held firm. Andover made four yards in three carries, and a double reverse on the fourth try was stopped by Esposito and Vin Shano.

The ball passed rapidly from one team to the other, in an exchange of fumbles. Coates recovered for Wilmington, after a Wilmington fumble had been recovered by Andover's Thompson. Wilmington then began a drive up the field, and out of the danger zone, but they couldn't get into Andover territory.

In the latter part of the third period Andover regained possession, and went to the air. Pattullo made a beautiful 46 yard pass to Hixon, which put the ball on the Wilmington four yard line.

The scoring threat was soon ended by Esposito, who intercepted a jump pass, and Andover ground to a halt.

Towards the last of the fourth quarter the Wilmington team again sparked. In 11 plays they moved 55 yards, to the one yard line, and then Esposito carried the ball over in a plunge. Esposito also made the conversion, to put Wilmington at 20 points.

Andover's only touchdown was in the very final seconds of the game.

Andover's Pattulo did a great part of the work, in a 67 yard march, in four plays, ending with a pass of four yards to Gillan, who scored as the clock recorded the last seconds of the game.

Andover's attempt at a conversion was smothered by Cotter. Next Saturday the team travels to North Andover. Game time is 1:30 pm. North Andover bowed to Chelmsford last week, 7-6.

Slimnastics Class at North Suburban YMCA

The North Suburban YMCA in Woburn is again offering a slimnastics class for women, directed by Mrs. Norma J. Hopkins. A ten week series will be held on Monday and Thursday mornings from 9:30 to 11 am starting next Monday, Oct. 7th.

Mrs. Hopkins is a trained physical education instructor. She attended Bouve College, taught at Melrose High School and the Melrose YMCA and for the past year has been with the North Suburban YMCA.

The course is designed to tone up muscles and to slim the figure. A regular exercise routine will be

followed which will become more difficult as the class progresses.

A baby sitting service for toddlers will be provided at a nominal charge. All ladies interested in staying fit and enjoying it should call the YMCA Program Office, 935-3270. To register and for further information contact the North Suburban YMCA at 553 Main Street, Woburn.

SVJCC SUNDAY SCHOOL REGISTRATIONS

Sunday School Classes for the children of members and friends

of the Shawsheen Valley Jewish Community Center will be held at the VFW Eggo Post on Rt 3A Billerica, beginning on Oct 20th.

Classes are open to children from four to ten, with a class for older children formed if there is sufficient interest.

Registrations will close on Oct 5th. Full information regarding classroom schedule, tuition, and registration can be obtained from Mr. Lawrence Rittenberg of 14 Irene Street, in Burlington Mass 01803, Tel 272-1933.

BRIDGE LANE (From Fr Pg)

It would get ingress only from a portion of Main Street.

Boylan countered this argument with one that the Main Street Esso Station would also probably be cut off by the proposed roadway for the Eames Farm Bridge, which would be a few hundred feet further north, between the Esso station and Rocco's Restaurant. He pressed Whitcomb on this, and the engineer reluctantly agreed that this was possible.

Other engineers who were present, but who took but a small part in the discussion were John E. Ingalls, State DPU Engineer, Lawrence Boyd of the B&M RR, Alan MacMillan, also of the B&MRR, and John Shaughnessey and Roger Hilton, Middlesex County Engineers. Also present was Arthur Harding, Wilmington Town Engineer, and Sterling Morris, Wilmington Town Manager.

Neither of the latter two took any part in the discussions.

Whitcomb, who was unable to fully expound his position, told the Selectmen that Bridge Lane is a Town Road, and it was up to the people of Wilmington to determine what would be done to a town road.

The proposed (Eames Farm) bridge, he said, would be a state highway, with the state willing to assume more responsibilities.

Putting-you-firsts:

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

Headlight washers

You push the windshield washer knob and hold it, and your headlights come clean.

Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.)

The spray removes up to 80% of accumulated dirt.

The feature is standard on 1969 Corvettes. It comes with the hidden headlights available on Camaro, Caprice and Kingswood Estate Wagons. It is available on all other models except Corvair.

Heated glass

In a moment your rear window will self-defrost.

Because we've built onto it a network of tiny ceramic strips capable of heating the entire surface.

Fog and frost disappear quickly and quietly. You just flick a switch.

The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

Pushbutton tire chains

You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

You spin your wheels once, wait a moment, and you're off—with traction you wouldn't believe possible on slick ice, or packed snow.

Available on all 1969 big Chevrolets.

Steering wheel lock

When you own a car as desirable as the 1969 Chevrolet, you don't take chances.

When you leave it, you lock it. Not just the doors.

You lock the ignition, steering wheel and transmission lever, too.

Our new lock on the steering column takes care of all that.

Standard on all 1969 Chevrolets, Chevelles, Chevy Novas, Camaros and Corvettes.

Sorry, car thieves.

Power steering plus

The 1969 Caprice, Impala and Camaro are available with a new type of power steering.

Variable-ratio power steering.

What it does is give you faster steering with fewer turns of the wheel.

Variable-ratio power steering is particularly helpful in short, full turns.

And parking becomes unbelievably easy. You'll see.

Walk-in wagons

The tailgate swings open like a door on most of our 1969 station wagons.

Which in itself is no big deal. But wait, there's more.

We've built a concealed step into the rear bumper.

You simply step up, over, and in.

(The way we build our wagons, you can do it without bumping your head, and without acrobatics.)

Walk into a wagon—soon at your Chevrolet dealer's.

Death

CLARENCE BLAISDELL
PASSED AWAY MONDAY

Clarence L. Blaisdell, husband of the late Caroline K. (Doebolt) of 9 Manning Street, Wilmington, died at the St. John's Hospital in Lowell, Monday, after a long illness. He was 63 years old.

A native of Wilmington, he was the son of the late George L. and Elva A. (Parker) Blaisdell, and had lived in Wilmington for many years, before taking up residence in Cambridge. He was a retired fireman, having been employed by the National Casket Company in Boston for many years.

Mr. Blaisdell is survived by nine children, Frederick of Holliston, Edward, Mrs. Evelyn Cercio and Miss Joyce Blaisdell, all of Allston, Mrs. Eleanor Norcross of Gardner, Mrs. Dorothy Cavaretta of Malden, Mrs. Marjorie of Somerville, Mrs. Doris Lenkowski of Medford, and Mrs. Lillian Oteri of Wilmington.

He is also survived by his brother George, of Newton, and his sister, Mrs. Helen Blaisdell of Tewksbury.

Funeral services are to be held today, at 1 p.m., at the United Methodist Church, in Wilmington. Burial will take place in the family lot in Wildwood Cemetery.

Funeral arrangements are in charge of the W. S. Cavanaugh & Son Funeral Home, of Wilmington.

RICHARD W. WELCH
(From Fr. Pg.)

the Soldier's Lot in Wildwood Cemetery.

An Honor Guard, consisting of members of the Nee-Ellsworth Post 2458, the American Legion Post 136, and the William F. Tattersall Chapter of the DAV, and the 9th Infantry Regiment of Tewksbury was present.

The Firing Squad detail was from Fort Devens, to pay the last respects to PFC Welch.

Pall Bearers were: Commander Charles Kelley, VFW, Commander John Winters, American Legion, John Madigan, Ralph Zwicker,

Thomas O'Connors, and Joseph Hennessey.

Beside his parents, PFC Welch leaves a brother, David J. Jr., of Tewksbury, two sisters, Sheila M. and Kathy-Ann, both of Wilmington and his grandmother, Mrs. Catherine Welch of Winchester.

D.A.V. Chapter 106

On October 14th the Chapter will entertain 40 Veterans from the Bedford Hospital, starting at 6:30 pm. There will be Beano, and refreshments. The refreshments will be under the supervision of Mrs. Shine and other members of the Auxilliary. The Beano will be under the Chapter supervision. Help is urgently needed from members or both Chapter and Auxilliary. Call Mrs. Shine at 658-2445 or John Boudrea at 658-9557.

The veterans will leave between 8:30 and 9 pm., and there will be a business meeting after that.

A Halloween Party is planned for Oct. 25th. Costumes will be required.

The Chapter will have to have a new adjutant, since Bill Lynch has had to resign, due to his new duties at the Wilmington Post Office. Nominations and election for this office will be at the meeting of October 14th.

Planning Board

Discusses 701

Program Questions

The business of the Planning Board, Tuesday night, was a discussion of the questions to be asked of the residents of Wilmington, in the coming questionnaire for the 701 Planning Program, for Wilmington.

The big question facing the members was Can We Get Someone to Volunteer to head the Question Program.

No decisions were made, but in the discussion the methods of the School Census, the late church census, and a census by the police were discussed, together with the question of whether or not the purpose could be achieved by a sample of the residents of Wilmington.

The answers, when they are acquired, will be fed into a computer.

A letter was received from the Wilmington Housing Authority saying that if possible a site for a future Housing for the Elderly program should be included in the 701 Studies.

By Louie
In the year 1895 the German, William Roentgen, produced a new kind of ray resulting from the impact of a cathode ray against the glass of a vacume tube.

The ray, which bounced, he called X, on the principle that X is the name for anything that is unknown.

The X-rays could penetrate opaque matter, and, in the hands of inventors, became, as we know, one of the greatest aids to surgery ever devised.

Roentgen's big discovery spread throughout the scientific world an epidemic of inquiry. From that time on other scientists began to experiment further into the possibilities of other elements penetrating opaque substances

The use of X-ray has helped many. Enjoy the use of a fine pharmacy such as **SILVER LAKE PHARMACY**, 52 Main St., Tel. 658-4617. Assorted Greeting Cards, Whitman & Candy Cupboard Candies, and more. Open 9 - 10 Every Day

Sketch of Proposed Bridge Sites

A REPRODUCTION: Of the sketch showing proposed route of the Eames Farm Bridge, (for the want of a better name), and of Bridge Lane, which Wilmington Selectmen want the Massachusetts Department of Public Works to consider as an alternate site for a bridge over the Boston & Maine Railroad.

The State DPW identified houses which it thought would have to be moved, for the Eames Farm Bridge, with small dots. The Chief Engineer of the State DPW estimated, Tuesday, in an

informal session, that the Bridge Lane Bridge would take twelve feet of the 'L' shaped building on Bridge Lane, across from Wilmington Ford, which is the home of the Wilmington Congregation of Jehovah's Witnesses.

Mr. Boylen and Mr. Miceli had the Town Engineer draw a curve on a map, from near the railroad on Bridge Lane, to Shawsheen Avenue at a point about at Auburn Avenue.

They would like to have that curve checked out as a possible site for the approach for the alternate bridge.

Pop Warner

Chargers Defeated Wakefield

The A & B squads of the Wilmington Chargers did it again, Sunday. They pulled off a double win against the surprisingly tough Wakefield Pop Warner squads.

Wilmington dominated the play, but it was a tough day for both Wilmington teams, as Wakefield held down the long runs that have accentuated the Charger's games to date.

The B squad game featured grueling line play coupled with hard tackling on both sides. The long runs that Wilmington did pull off were nullified by penalties.

In the first period of the B game Wilmington received, with Carl Butler galloping 20 yards. Wakefield proved their mettle and then held the Chargers on downs. Wakefield received the punt, but were in turn held by Wilmington. Roy Meyer received the Wakefield punt and ran 35 yards, only to have the ball brought back because of a penalty. Carl Butler and Roy Meyer carried the attack for Wilmington as the quarter ended.

In the 2nd quarter a fine pass from Joe Nickerson to Carl Butler went into the End Zone, but again a penalty nullified the score. Wakefield then took over, and a series of plays brought the ball near the Wilmington goal. An alert Mark

Esposito then intercepted a Wakefield pass, to end the threat.

In the 3rd quarter Joey Nickerson connected with Doug Stewart for a first down deep in Wakefield territory, but a fumble on the next play was recovered by Wakefield.

Hard charging by Wilmington and fine tackles by Carl Butler and Mark Esposito forced Wakefield to punt. Roy Meyer took the punt and fought 25 yards to the Wakefield 15. Mark Esposito then, aided by fine blocks by Dave Spring and Ken Mumm, ground out a first down on 2 plays as the quarter ended.

Nickerson, in the final period, kept for two quarter back sneaks, to score Wilmington's touchdown. A pass try for the 2 point conversion failed, but the B Chargers led, 6-0.

Wakefield received the kick-off but was unable to move. The pass attempts by Wakefield were beautifully broken up by Carl Butler and Roy Meyer. The stubborn B Chargers line refused to open for the Wakefield backs.

After an exchange of punts Wakefield marched to the Wilmington 8 yard line. Again the Wilmington line stiffened and repulsed Wakefield, forcing them to punt. Aided by some fine down field

blocking Roy Meyer returned the punt 35 yards. Another Wilmington drive was voided by penalties.

Wakefield tried desperately to score. They drove the B team to the 15 yard line, and with four seconds left, unleashed a pass which was outstandingly intercepted by Doug Stewart, to put the game on ice, 6-0.

It was the toughest game yet for the B Chargers. Rod Johnson and John Krasznecwicz were outstanding in the line.

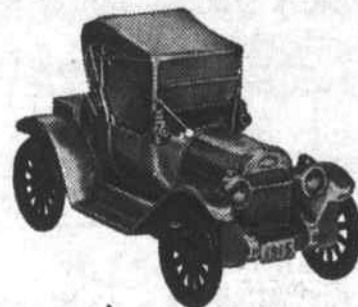

The A Chargers half of the double header was also an excellently played game, highlighted with hard charges by both sides.

A Wilmington fumble in the first period gave the fans a scare, but Wakefield was stopped cold, and couldn't capitalize. The period then became a slugging match, in which neither side gave ground, forcing each other to punt the ball.

Two displays of excellent line play in the second period, with neither side giving an inch, featured the second period. There was hard clean tackling, especially on the part of Ray Noel and Stephen DeLise.

CHARGERS (Fr. Pg. 11)

Wakefield lost two golden opportunities, a blocked punt, and later a recovered fumble. As the quarter ran out Steve Coursey found the range, with two excellent passes to Phillip Morrissey.

Wakefield, in the third period, after receiving the kick-off, was held on downs. Mark Nelson then shook loose for a 30 yard run, but the drive was stopped on the Wakefield 5 yard line.

The visitors tried to move up the field and got nowhere. They punted, and it was a bad one.

The A Chargers ended up on the Wakefield 10.

Steve Coursey unleashed a passing attack, which was effectively foiled by the Wakefield defense, and they took over again, but Wilmington held, and Wakefield punted as the quarter ended.

Coursey, in the final quarter, galloped 50 yards for the first long awaited touchdown. Mark Nelson then hammered his way across the line for the conversion, and the Chargers were ahead, 8-0.

Spectacular tackles by John Gillis and Richard Howlett kept Wakefield from moving. Howlett had been playing all afternoon with an injured hand, but he inflicted substantial losses on the Wakefield team.

Wilmington took over on the Wakefield 20, and Coursey ran a sparkling play for a touchdown, but it was called back by an infraction.

Steve then threw a pass that connected with John Gillis in the end zone, for Wilmington's second tally. Again Mark Nelson went through for the conversion, and it was Wilmington 18, Wakefield 0.

Wakefield still gamely tried to move the ball, but their efforts proved fruitless. The last play brought a gasp from the large crowd, as Gregory Coolidge delivered a bone-crushing tackle.

Next Week

Next week the Pop Warner A and B Chargers take on last years champs, the strong Swampscott team. Wilmington has been looking forward to this game, keeping

in mind what happened last year. It will be on the High School field Sunday afternoon.

By the way, what do you think of the Cheerleaders? Aren't they wonderful?

STEVE COURSEY IS TACKLED BY CHUCK ROBBINS of Wakefield. The Wilmington Half Back made 15 yards before being driven offside.

JACK GILLIS DIDN'T CONNECT: In the second quarter, on a forward pass, Wakefield's Freddie Gallucci is coming up, on right.

MARIA ELENA CATALANO: Isn't exactly sure of what comes next, when it comes to cheer leading, but she is willing to try!

ERNIE GALLANT HAS RETIRED FROM MIDDLESEX BANK AT READING

The appointment of William J. Clark as Manager of the Middlesex Bank's Reading office and William J. Byrne as Manager of its Stoneham office effective October 1 has been announced.

Mr. Clarke is replacing Ernest J. Gallant, Vice President and Manager of the Reading office. Mr.

Gallant is retiring after 48 years with Middlesex.

Mr. Clarke is a native of Everett and attended Boston University and the Williams College School of Banking. He was the Manager of the Stoneham office.

Mr. Byrne, who is now Manager of the Stoneham office, comes to Middlesex after 13 years of varied banking experience in Boston and suburban banks.

BRIDGE LANE
(From Pg 5)**Second Discussion**

Boyle and Miceli had to leave the discussion, before all angles had been explored. They were due to appear at a meeting at 10:30 am in the Massachusetts Department of Natural Resources, to discuss the Alderwood Estates.

After they had left Whitcomb had

an opportunity to evaluate informally what the two selectmen were asking for.

Whitcomb had with him the proposed grades for the 'Eames Farm' bridge. He showed these proposals to the Town Manager and Rep. Cain.

It is over 1050 feet from the railroad to Main Street, on the route laid out for the Eames Farm bridge. The grade that has been laid out is a 2.8% grade, and would allow

good visibility at 40 MPH, Whitcomb told Cain and Morris.

He then measured the length of Bridge Lane, as it appeared on his maps, and found that it was about 800 feet from the Railroad to Main Street.

This, Whitcomb said, meant that probably there would have to be a sharper grade, for perhaps a 30 MPH speed, or else the level of Main Street would have to be raised. He agreed with Mr. Cain that the Wilmington Ford place would be cut off from the street, for a considerable distance.

Whitcomb also estimated that the grade filling, for the bridge on Bridge Lane, would require that the first two homes on Brand Ave.

be moved, and that the first twelve feet of the home of the Wilmington Congregation of Jehovah's Witnesses would have to go.

It is not known when the engineer who is to do the evaluation will be in Wilmington.

Cub Scout Pack 58

Cub Scout Pack 58, sponsored by St. Dorothy's Church, held its first pack meeting of the season last Saturday. The theme of the month was 'Doorway to Adventure'. Pack Chairman James Duval opened the meeting with a welcome to the parents, and the Cubs followed with a Flag Ceremony, led by Den 1, and the singing of the 'Battle Hymn of the Republic'.

After the invocation by Father Joseph Leahy, a presentation of the Cub Scout Catholic Award, the Parvuli Dei Medal, was made to Philip Antonuk.

New Bobcats initiated in to the pack by Cubmaster George Peters were: John Ruggiero, Robert Sutherland, Michael Perry, William Sanville and Alan Bourassa.

Wolf Badges were awarded to Paul Malfy and Mark Leathers.

Bear Badges were awarded to David Hinckley and Charles Ramsdell.

Gold Arrow awards went to Mark Leathers, Paul Malfy, David Hinckley and Dale Romanski.

Silver Arrow awards went to Mark Leathers, Paul Malfy, James Lipps, Timothy Driscoll, Michael Driscoll and Charles Benoit.

Webelos Activity Badges include: Philip Antonuk, naturalist; Timothy White, traveler; and outdoorsman to John Kaminski, Louis Perry, Brian Driscoll, Michael Duval, Mark Bosma, Edward Leary, Stephen Lafavour, Philip Antonuk, Lawrence Flaherty, and Michael Andres.

The Red Attendance Ribbon was won by Den 3, with 100% parents present.

Table Display Blue Ribbons were awarded to Den 1, Den 3 and Den 7.

One Year Service Pins were awarded to David Antonuk, Mark Cefalo, Michael Driscoll, and Den Mother Barbara Cefalo.

Two Year Pins to Timothy White, Philip Antonuk and Robert Ciccarelli.

Den Mothers and Assistants in-

clude: Den 1, Margaret Peabody; Den 2, Barbara Cefalo and Florence Antonuk; Den 3, Barbara Driscoll and Joan Benoit; Den 4, Annette Leathers; Den 5, Louise Lipps and Doris Anderson, and Den 7, Phyllis Flaherty and Marbra Steeves.

The next Pack Committee Meeting will be held October 10 at 8 pm in the Scout Hall.

Ecumenical School

On October 17, there will be an Ecumenical School open for adults at the First United Baptist Church in Zayer Plaza, Lowell.

The School is co-sponsored by the Greater - Lowell Council of Churches and the Ecumenical Commission of the Roman Catholic Archdiocese of Boston.

There will be six courses for five consecutive Thursday evenings, with the exception of Oct 21. Classes will begin at 7:30 and end at 9:30 with a break for refreshments. A registration fee of \$5 per person and \$7.50 per couple will be charged.

The courses will be as follows:

1. 'Exploring the Scriptures' on the basic themes of the Bible. Rev Alban LeHouillier OMI, Professor of Scripture at the Oblate Seminary in Natick, with Reverend Leonard Gibbs, Centerville and Fellowship Methodist Churches and Rev Thomas Green, St George Syrian Orthodox Church serving as reactors to Fr LeHouillier's talks
2. 'Understanding and Teaching Teenagers' on the following topics 'Youth Culture' Rev James Power Chaplain at Xavierian Brothers High School in Westwood. 'Kingdom of Downtown' Mr Joseph Mello High School Religion teacher at St Peter's Parish, Lowell. 'Communicating with Youth' Mr Joseph Reilly, instructor for teacher training programs. 'The Sexual Revolution' Rev Garth Mundle minister to the First Parish United Church of Christ, Dracut. 'Youth and God' Rev Earl Alger minister of the Hope Congregational Church in Andover.
3. 'Issues in Celluloid' a presentation of contemporary problems by Rev Francis Paolo of the Christian Formation Center in Andover.
4. 'Understanding Each Other I' Protestant, Orthodox, and Roman Catholic representatives aimed at presenting aspects of church history doctrine and worship.
5. 'Understanding Each Other II' Dialogue group of fifteen people five from each tradition, examining specific contemporary issues of current Christian teaching. Rev Richard Kilfoyle, St John the Evangelist Episcopal Church, MC DERATOR.
6. 'Let's Talk about Marriage' insights in the dynamics of Christian married life.

The school is truly ecumenical planned by a committee of clergy and laymen from all three traditions working together.

Anyone wishing to register should contact Mr Lester H Sword 36 Sixth Avenue, Lowell. Advance registration is urged, since some courses may be over-subscribed.

Dear Larz:

In the interest of higher education, I feel compelled to explain that last item in the list of plant materials in the 'Garden of Arthur' in last week's edition.

Handrahan's Manual of Plants, Rarely Seen in the Garden says: 'Anneuser - Busch, pronounced bud. From the Latin: Beer-bell. (That's more than Arthur Allgrove knows!) and from the German: Schmascht mit hopz und malten. Native to entire United States. Favorite of G.I.'s, and thus found in such outposts as Vietnam, etc. Tolerates a wide range of temperatures; most often found refrigerated. Refreshing to behold; salubrious when busched.

A REAL HONEST TO GOODNESS FULL BLOWN CHESTNUT: The first seen by the editor of the Town Crier in 51 years, was found in North Reading, yesterday, by Mrs. Cindy Williams of 7 Linda Road. Mrs. Williams is a member of the Wilmington Conservation Commission, and took part in the visit, last year, to a Chestnut Tree found in East Wilmington, but which has since died.

The American Chestnut trees were killed by the Chestnut Blight about the end of World War I, but shrubs keep coming up from some of the old roots. Mrs. Williams reports that there were two clusters of shrubs, where she found the nut, both bearing nuts.

Her hand is at right, holding a leaf from the shrub. The hand at left is holding the bur, in which may be seen the chestnut, and two partly developed nuts.

KATHLEEN FOLAN IS
TO MARRY STEVE PHILLIPS

Dr. and Mrs. David W. Folan Jr., of 20 Plympton Street, Woburn, have announced the engagement of their daughter, Miss Kathleen Folan, to Stephen E. Phillips, son of Mr. and Mrs. Wallace Phillips of Ballardvale Street, Wilmington.

Miss Folan graduated from Woburn High School, and attended the Mass State College of Art at Boston. She is at present an evening student of the Museum School of Art, and is employed in the Advertising Department of the Zayre Corporation.

Mr. Phillips is a 1965 graduate of Wilmington High School; and is a Production Control Expeditor for the RCA Corp. in Burlington.

No date has been set for the wedding.
